Dear Sir/Madam,

RE: LETTER OF ATTESTATION

I wish on behalf of the Freetown City Council in collaboration with the Devolved Function of the Ministry of Social Welfare Gender and Children's Affairs, to attest that Hands for Africa is in partnership with the Social Services Department of the Freetown City Council.

Hands for Africa is complementing the work of the Social Services Department by providing Humanitarian services to the citizen and intends decentralizing some of its operations to other parts of the country. The department is quite confident that this organization is capable of continuing its operations in Sierra Leone.

Yours faithfully,

LETTER OF ATTESTATION

I write to inform that the Coordinator of “Hand for Africa” the proposed (NGO) non Governmental organization, is seeking to address the issues of Youth Empowerment leading to youth employability. He held discussions with some youth groups and this Ministry.

From our discussions of the programmes he will be implementing, we are of the opinion that his work will greatly complement our current efforts.

We are therefore recommending “Hand for Africa” for registration as an NGO that propose to operate in the Youth Sector.
